Good afternoon Pat,

I recently heard back from Dr. Price, Baldwin County Superintendent of Schools regarding a tour of Sandersville Elementary School as a possible GNETS Regional Center location. She is interested in touring the facility.

Dr. Price is free on Monday, April 15, 2019 at 10:00 am and will bring some of her staff with her. I have talked with Mr. Ed Jordan, facilities manger for Sandersville Elementary School and he is also available.

I am copying Ms. Vickie Cleveland on this email in the hope that she and someone from the GaDOE Facilities Division will be able to participate in the building walkthrough.

As learned from our visit, the wing that we are interested in was built in 1995 and has a current certificate of occupancy and working fire alarm system and is ADA compliant.

Pertinent information is included below:

**Date:** Monday, April 15, 2019 at 10:00 am  
**Location:** Sandersville Elementary School  
514 North Harris Street  
Sandersville, Georgia 31082

Please talk with Vickie and confirm her availability.

Thanks,
